
United Planet selects the Intrexx Partners of the Year

Digitalization experts meet in Freiburg

The Intrexx Partner Days 2016 took place in the context of the digitalization conference, Portal Visions. 100 participants from 15 different countries made the day a total success. Esch & Pickel and Respiro were honored with the "Intrexx Partner of the Year" award.

Freiburg, the 1st of June 2016. The software developer from Freiburg, United Planet, gathers its sales and consulting partners together once a year at the Intrexx Partner Days. This year, the event took place in the context of the digitalization conference, Portal Visions – meaning that the visitors were offered a comprehensive program.

With over 60 presentations from users, the broad range of application fields of the software Intrexx were illustrated. With this, companies can create workflows, applications and digital workplaces. Tangible use cases were also demonstrated as well as the technical backgrounds. There was also a track in English for the first time.

"Partner of the Year" located in Sydney and Coblenz

During the course of the Partner Days, the "Intrexx Partners of the Year" were awarded. The [IT systems house Esch & Pickel](#), based in Coblenz, achieved the first place from among the German-speaking partners: "Our entire team is really pleased about the award and is starting into the new 'Intrexx year' with great motivation. With Intrexx, we can provide customers and prospects with flexible and powerful solutions that can be implemented and used rapidly."

On the international side, the [Australian partner Respiro](#) came out on top. The founder, Ray Burquest, accepted the award with great joy and was very pleased with his first visit to the Intrexx Partner Days: "I have seen some of the incredible deployments of Intrexx by United Planet Partners around the world and that makes us very
